

TYCA Northeast 61st Annual Conference FACULTY SPONSORSHIP GRANT OPPORTUNITIES

October 2-3, 2026
Lancaster Marriott at Penn Square
25 S Queen St, Lancaster, PA 17603

TYCA Northeast is a 100% volunteer-based non-profit 501(c)3 organization exclusively dedicated to supporting two-year college English faculty and administrators across 11 states from Maryland to Maine, plus Washington D.C. and 7 territories in eastern Canada. Your sponsorship allows professionals to exchange best practices to continue creating high quality instruction and programming.

ABOUT THE GRANT

As two-year college budgets for professional development and conference attendance are becoming diminished across the country, many of our members suffer the repercussions: either they must self fund their travels or they miss out on the opportunity to present and attend annual conferences, like TYCA Northeast. A donation to a Faculty Sponsorship Grant would help offset the costs to attend the conference.

The grant will be named after your company, institution, and/or after a person of choice (e.g. the grant could read: The John Smith Northeast Two-Year College English Faculty Sponsorship Grant), OR it can remain anonymous, as the Northeast Two-Year College English Faculty Sponsorship Grant. Any unused grant money will be placed in a secure reserve for the following conference year, and made available for faculty who might need it then. For your donation to TYCA Northeast members, your entity (business, college, personal) will also be recognized at the conference and in all conference materials.

Interested TYCA Northeast members will be asked to submit an application with a short statement of purpose explaining their need and the impact of attending the conference. Applications will be reviewed blindly by the Regional Executive Committee. Prioritizing equity, recipients will be chosen based on the following:

1. Must be a confirmed presenter at the conference.
2. Must not have received prior funding for this event in a previous 3-year period.
3. Must express financial need due to lacking institutional funding.
4. Must explain how conference attendance will support the applicant's career development.
